- Questions related to program codes are based on Java programming language, unless specified.
- ALL questions must be answered in English.

3. Scope:

- All Lecture Notes: Units U01 ~ U11 (*“Reference-Only” slides are not included*)
 - *Questions related to Notes U10 and U11 will be in Section A (MCQ) only.*

4. Make-Up Arrangement (if any) and Criteria for Granting the Make-Up Arrangement:

- *No make-up will be given, without proper reasons and documents.* (E.g. students are already in hospital before assessment starts.
- Students should inform and send emails to teacher via their college email account, with proper reasons and related documents, as soon as they know they are not able to attend the scheduled assessment. *Applying make-up too late could not be handled, even with proper reasons. To be fair to other students, normally **applying a make-up “AFTER the assessment has started” is NOT accepted.***
- If any make-up is arranged, there would be ***only one make-up assessment and this may be conducted in the college campus, during weekend or in the evening.***

5. Others:

- **Cheating and Plagiarism**: The College places very high importance on honesty in academic work submitted by students, and adopts a policy of zero tolerance on cheating and plagiarism. ***Any related offense may be passed to the Guidance Committee. Possible disciplinary action,***

including termination of study, may follow.

- No consultation for the question paper during the assessment period. Students may write down their remarks on the answers if necessary.
- *If necessary, students must inform teacher and send teacher emails (via their official college email account) to discuss, in case they need special arrangements such as extra time allowance approved by the college, as soon as possible. Late request may not be handled.*
